

## ACTIVITIES OF MILITARY IN RELATION TO COVID 19

### MALAYSIA

**Updated till 26/03/2020 1200H**

Confirmed case : 1796

Recovered : 199

Death : 21

In treatment : 1576

ICU : 45

Pending OPS result : 5041

Activities:

1. Join forces with Malaysian police in patrolling the streets.
2. Join forces with the police in enforcing the Movement Control Orders to the community
3. Three (3) of the Malaysian Armed Forces Hospitals open to public to received non-Covid 19 patients for hospitalisation
4. We are still using 100% MOH Malaysia guideline for COVID 19 treatment. Medical Screening Guideline for the troops to deploy on ground was amended and base from MOH Malaysia guideline.
5. There are 33 Civilian Hospitals and 1 University Hospital treating patients of COVID 19 all over Malaysia.
6. Movement Control Order (MCO) in Malaysia was enforced since 18/03/2020 and will last till 14/04/2020. All people in Malaysia must abide by the MCO without fail.
